We are the in-house radiologists at **MedVet Akron** in Copley, OH; **MedVet Cleveland West** in Brook Park, OH; **VCA Great Lakes Veterinary Specialists** in Warrensville Heights, OH; and the **Metropolitan Veterinary Hospital** in Copley, OH. In addition, we consult with over 900 referral centers, emergency clinics, and veterinary hospitals from coast to coast across the United States.

## Fees

Our fee for digital x-rays transmitted directly to our teleradiology workstations over the Internet is as low as \$60/case. For all other cases provided to us for evaluation, if x-rays are accompanied by payment, our consultation fee is \$81/case. If you prefer to be billed, our fee is \$85/case.

## X-ray Reports

Upon receipt of your x-rays, an x-ray report will be e-mailed to you. If you have a question regarding a report, please don't hesitate to contact us at our toll free number. X-ray films will be mailed back via the US Postal Service.

## Postage-Paid Mailing Labels

For your convenience, please feel free to use one of our US Postal Service Business Reply mailing labels, which are available on our website under the Mail-In Services tab. Once you've affixed a mailing label to an x-ray envelope, you may give the envelope to your postal carrier. There is no need to pay postage, or take the envelope to a post office. We cover all postal fees. X-rays sent with postage-paid mailing labels are First Class Mail. Delivery averages 2-4 days, but may take a week. If rapid delivery is essential, please consider courier delivery.
